

## 2015 ALTERNATE YEAR REQUIREMENTS INFORMATION

**ALL** returning Roster Artists are required to complete the following actions:

- a. Professional Development Action
- b. Brief update to online information

### **DESCRIPTION OF REQUIREMENTS**

- a. Professional Development Action

- Submit the PROFESSIONAL DEVELOPMENT ACTION FORM and documentation in the form of certificates, conference agenda, etc.

The teaching profession is in a constant state of change. It is critical that artists continue to develop and reflect upon their work as teaching artists. Teaching artists require ongoing professional development in order to stay abreast of changes affecting the learning outcomes of their students and participants. To that end, Roster Artists are required to complete one Professional Development Action annually (workshop, conference, mentorship, or other pre-approved action).

**All Roster Artists must submit ONE Professional Development Action that pertains to the teaching aspects of their work. If an artist maintains a listing on the Education Track, this action must related to teaching in preK-12, education-based settings.**

Examples of content include assessment, evaluation, classroom management, current field research, program design, partnerships and collaboration, program logistics, delivery, content, learning styles, presentation skills, etcetera.

Professional development strictly in the artist's discipline will not fulfill the requirement.

The Arizona Commission on the Arts offers professional development opportunities for teaching artists each year. Artists on the Teaching Artist Roster are not required to take part in Arts Commission-sponsored professional development opportunities.

- b. Brief update to online information

- Complete a brief UPDATE TO YOUR ONLINE ROSTER PROFILE.

This action requires a brief update to your online roster profile, if significant changes have occurred to your contact information, resume/bio, references, etcetera.

**THE DEADLINE TO SUBMIT ALL ALTERNATE YEAR REQUIRMENTS IS  
SEPTEMBER 3, 2015.**
