

Arizona has 39 designated Local Arts Agencies (LAAs) that are supported by the Arizona Commission on the Arts through direct grants or technical assistance. Of these 39 LAAs, 20 are nonprofit organizations and 19 are considered city entities. Budgets range from \$2,000 to \$10,000,000+ annually, and listed LAAs represent 11 Arizona counties and 19 state legislative districts. LAA programming ranges from public art to presenting, festivals to arts education programs.
