## **ELIGIBLE EXPENSES**

CCG funds are intended to support general day-to-day operating costs, such as the following:

#### **Salaries and Personnel Expenses**

Creative workers (e.g., artists, tradition bearers, designers, educators, curators, program administrators, service providers, etc.), production staff, administrators, teachers, contractors, consultants

#### **Artistic/Production Expenses**

Supplies, materials, equipment, venues, royalties, licensing

#### **Administrative Expenses**

Office space and supplies, insurance, professional services like accounting or payroll, fees for banking, online services and platforms, training and education, marketing and promotion

### **GRANT LEVELS & AWARD AMOUNTS**

Organizations apply for CCGs at one of eight grant levels. An organization's **grant level** is determined by the adjusted annual revenue for their most recently completed fiscal year (for example, Fiscal Year 2023). For the purposes of this program, **Adjusted annual revenue** is defined as the organization's total annual revenue minus the monetary value of any in-kind support.

**Award ranges** are determined based on the agency's budget for the upcoming fiscal year, the Arts Commission's funding priorities, and an organization's **panel review ranking** (low, medium, or high).

As the agency's budget is not known until well after grant guidelines are published, the amounts below are only projections of what may potentially be possible.

	Applicant's Adjusted Annual	Potential Award Ranges		
	Revenue	Low	Medium	High
Level 6	\$400,000 - \$999,999	\$2,500	\$3,000	\$3,500
Level 7	\$1,000,000 - \$4,999,999	\$3,000	\$4,000	\$5,000
Level 8	\$5,000,000 and above	\$4,000	\$5,000	\$6,000

## **HOW RELIABLE ARE AWARD PROJECTIONS?**

In 2012, the Arizona Commission on the Arts was removed from the State's General Fund as an ongoing budget line-item. Since that time, the agency's annual grantmaking budget has been especially volatile, dependent on one-time legislative appropriations, which have ranged from \$0 - \$5 million.

The agency's grantmaking capacity for Fiscal Year 2025 will not be known until the State's budget is passed by the Legislature and signed into law by the Governor. This typically happens in late spring.

The award ranges listed above are based on a potential grantmaking budget of \$0.5 million. Depending on what happens in the Legislature, actual award amounts may be significantly different. Applicants are strongly encouraged to budget conservatively.

For more info on Arts Commission funding, visit <a href="https://azarts.gov/about-us/who-we-are/budget/">https://azarts.gov/about-us/who-we-are/budget/</a>.

### **MULTI-YEAR FUNDING**

The CCG program operates on a multi-year funding cycle. Organizations submit a full application once every three years, according to the schedule below. In their two "alternate" years, grantees submit only a brief status update and Funder Report and are not subject to panel review.

In consideration of the limited funding projected for FY2025, all applicants who received CCG funding in FY2024 will be placed in alternate year status for FY2025.

Grant Level	FY2025	FY2026	FY2027
Levels 1, 2, & 3	Alt. Year Application	Alt. Year Application	Full Application
Levels 4 & 5	Alt. Year Application	Full Application	Alt. Year Application
Levels 6, 7, & 8	Alt. Year Application	Alt. Year Application	Alt. Year Application

For FY2025 funding, Organizations will submit a full or alternate year application according to the table below:

#### **Full Application**

- Organizations that did not apply for a CCG in FY2024
- Organizations that were not awarded a CCG in FY2024

### **Alternate Year Application**

Organizations that were awarded a CCG in FY2024

Guidelines for Level 1-5 applicants and Alternate Year applicants can be found at <a href="https://azarts.gov/grant/creative-capacity-grant/">https://azarts.gov/grant/creative-capacity-grant/</a>.

#### **GRANTEE REQUIREMENTS**

#### **Match CCG Award**

#### **Submit a Final Report**

To remain eligible for future grants, grantees must submit a final report to the Arts Commission at the conclusion of the funding period.

## **BEFORE YOU APPLY**

We encourage applicants to do the following prior to beginning their application:

#### **Request Accommodations**

If you require accommodation in completing the application or otherwise participating in the grant application process, please contact Hanna Spence-Schehr at <a href="https://hspenceschehr@azarts.gov">hspenceschehr@azarts.gov</a>.

## **Create or Update the SurveyMonkey Apply Account for Your Organization**

You will submit your application through an online submission platform called SurveyMonkey Apply. Prior to applying, all new applicants will need to register their organization at <a href="https://azarts.smapply.io/">https://azarts.smapply.io/</a>.

If your organization already has an account, we encourage you to confirm that all information is up to date and add/remove any team members as needed.

For instructions on how to create or update your account, visit our applicant resources page: <a href="https://azarts.gov/grants/applicant-resources/">https://azarts.gov/grants/applicant-resources/</a>.

### WHERE IS MY ORGANIZATION ACCOUNT?

When you log-in to SurveyMonkey Apply, you do not go directly to your organization account. In the past, this has caused some confusion for applicants.

Look for your name in the upper left corner of the screen. When you click on your name, you will see the organization(s) you are associated with. Click on the name of the organization to enter your organization's account.

#### **Create or Update SMU DataArts Profile**

DataArts' Cultural Data Profile (CDP) is a free and secure online survey that collects financial and programmatic data from nonprofit arts, culture, and humanities organizations. Organizations can then produce a variety of reports based on this data, including the **DataArts Funder Report** submitted with the CCG application.

Log-in or register at <a href="https://da.culturaldata.org/">https://da.culturaldata.org/</a>.

If you are new to using DataArts, you can find a video tutorial for getting started at <a href="https://culturaldata.org/what-we-do/for-arts-cultural-organizations/the-cultural-data-profile/">https://culturaldata.org/culturaldata.org/culturaldata.org/contact/</a>. For additional assistance, contact the DataArts Support Center: <a href="https://culturaldata.org/contact/">https://culturaldata.org/contact/</a>.

#### **Prepare Narrative Responses**

Some applicants find it helpful to develop their responses using word processing software, outside the application platform. This allows them to draft responses with team members and monitor their word counts for each question. A Word document version of the narrative questions can be downloaded at <a href="https://azarts.gov/grant/creative-capacity-grant/">https://azarts.gov/grant/creative-capacity-grant/</a>.

### **HOW TO APPLY**

When you're ready, go to <a href="https://azarts.gov/grant/creative-capacity-grant/">https://azarts.gov/grant/creative-capacity-grant/</a> and click on "Apply Now." You do not have to complete the application in one session; at any point you can save a draft of your application and complete or submit it later.

Eligible applications are then evaluated by independent review panels made up of individuals from communities throughout the state who work in or adjacent to the arts. They evaluate each application on its own merits and solely on the basis of the published evaluation criteria.

Panelists first review applications individually. They then meet as a body to discuss the applications and finalize assessment as a group. This meeting is open to the public and while applicants are not permitted to participate in the discussion, they are encouraged to attend or listen-in online. Applicants being reviewed will be notified when panel dates are set. At the conclusion of their deliberations, the panel submits their funding recommendations to the Arts Commission's Governor-appointed board of commissioners for approval.

## FREQUENTLY ASKED QUESTIONS

### 1. My organization is eligible for other Arts Commission grants. Can I apply to those too?

No. Across grant programs, the Arts Commission limits the number of applications that may be submitted by a given organization or unit of government to one (1) application per funding period (July 1 – June 30 of the following year). While an organization or unit of government may be eligible for more than one grant program, they may only apply for one of them in a given funding period. As an example, an applicant who applies to the Capacity Grant program in FY2025 may not apply for a Festival Grant or a Youth Arts Engagement Grant that same year.

### 2. How do I generate a DataArts Funder Report?

In order to generate a DataArts Funder Report, organizations enter financial and programmatic data into the Cultural Data Profile (CDP), a free and secure online survey. In an effort to make data entry easier for arts and cultural organizations, the CDP was significantly streamlined in December 2020. You can find resources on preparing your data for entry at <a href="https://culturaldata.org/what-we-do/for-arts-cultural-organizations/the-cultural-data-profile/">https://culturaldata-profile/</a>. And you can find an overview of how to run or produce a Funder Report at <a href="https://culturaldata.secure.force.com/Resources/articles/Article/How-do-I-run-a-Funder-Report/">https://culturaldata.secure.force.com/Resources/articles/Article/How-do-I-run-a-Funder-Report/</a>.

### 3. Does this grant fund or focus on new projects or new work?

No. The production or generation of new projects is not a requirement of the CCG program. CCG provides unrestricted general operating support, meaning that organizations may use CCG funds for many different types of operating expenses. However, there are some expenses which cannot be funded with public dollars; please be sure to check the funding restrictions list before determining how you will apply the grant funds.
