

FISCAL YEAR 2024 GRANTS

Awarding grants to arts organizations and schools is at the center of the Arizona Commission on the Arts' service. In this effort grant applicants are our partners, providing direct arts experiences throughout Arizona. The Arts Commission provides a variety of funding opportunities that enable schools, organizations and community groups to carry out projects and to maintain ongoing, high quality public arts programming.

Creative Capacity Grants (CCG) provide general operating support to arts and culture organizations of all sizes whose primary mission is to produce, present, teach, or serve the arts.

Festival Grants (FEST) support organizations in their efforts to provide quality arts and cultural programming through community festival activities. Grant awards range from \$2,500 – \$5,000.

Lifelong Arts Engagement Grants (LAE) support projects that foster meaningful arts learning experiences in community settings for adult learners of any age.

Youth Arts Engagement Grants (YAE) support programs focused on young people ages 24 and under that occur outside of traditional school hours.
